

Education scholarship through
Yayasan Pendidikan Harapan Papua

Rp 6,000,000.-
funds 1 child's education
for 1 year in interior Papua.

HOW DOES IT CHANGE THE STUDENT'S LIFE?

Students are taught *self hygiene*, including *how to shower, brush teeth, and wash clothes*.

Students *learn the alphabet, numbers, and colors* they never knew before. They can now read books and communicate fluently in Bahasa Indonesia.

Students *get quality education with a 1:15 teacher-student ratio*. More than 30 teachers from Pelita Harapan University's Teachers College serves at Sekolah Lentera Harapan in Papua, *with a mission to be a channel of God's redemptive love*.

Students *study in a conducive classroom* with steady lighting, ventilation, furniture, and books.

Students *have improved nutrition* intake as the school develops vegetables farming, fish ponds, and chicken farm.

Students *now have the hope and ability to dream and be future leaders* of Papua.

TOGETHER

let's be a part of God's work in Papua.
